What is MAPS

- The Integrated Managed Account Portfolio Service (MAPS) provides a range of professionally managed investment portfolios with different strategies and styles. By investing in one or more portfolios, investors can build a diversified portfolio that meets their needs.
- MAPS provides solutions that advisers can recommend for specific client requirements, that are available through HUB24’s investment and superannuation platforms to clients in accumulation and pension phase.

How your Portfolio will be invested

-  **Preservers** - assets that protect the Portfolio during periods of heightened equity market volatility.
-  **Growth Assets** - assets that are expected to deliver higher rates of return over time with higher levels of associated volatility (risk).

Asset allocations are indicative only.
